

# ST ANDREWS LITERATURE FESTIVAL

## FOR IMMEDIATE RELEASE

### ***St Andrews Bookshop Announces Inaugural St Andrews Literature Festival (SLF) 21-22 June 2024***

St Andrews Bookshop is delighted to announce its first annual St Andrews Literature Festival (SLF). An exciting celebration of Christian literature showcasing some of the most loved Christian authors, in the charming village of Great Missenden, the birthplace of our bookshop.

Our inaugural festival boasts an extraordinary line-up of contributors, including bestselling authors such as Paula Gooder, Simon Guillebaud, Patrick Regan, Fiona Castle, Andy Bannister, Cathy Madavan, Andrew Ollerton, and many more!

Each author will have one hour to engage in thought-provoking conversations with their hosts, delving into the themes of their books. Each session will end with an audience Q&A and the opportunity to purchase and have books signed by the authors.

Hosted across church venues and our bookshop, with seating ranging from 50 to 250, we have the capacity to host multiple events in Great Missenden simultaneously, ensuring a varied and exciting programme for festival-goers. Tickets start at just £5.00

Great Missenden is easily accessible by road and train (a mere 30 minutes from Marylebone), making it an ideal destination for our local audience and those travelling from further afield.

We hope you will join us in this celebration and make the first St Andrews Literature Festival a resounding success!
